Index—Volume LXVIII

TITLE INDEX

About the Cover—Fall 1998. The cover illustration is a view of the Earth as photographed from the Apollo 17 spacecraft during the final lunar landing mission in the National Aeronautics and Space Administration Apollo program. Photo courtesy of NASA,; About the Cover—Winter 1999. The cover illustration was designed by Rhonda J. Pearson, a graduate of Ivy Tech State College currently enrolled in the Indiana State University School of Technology and serving on the staff of ISU Media Technologies & Resources; About the Cover—Spring 1999. The cover illustration was created with the assistance of Amy Amies of Media Technologies and Resources, Indiana State University. Sharing their experiences at local schools are, from the left (top) David Stangle, Susan Mills, Joshua Fields and (bottom) Connie Feuquay and Briar Hill, all of Franklin Elementary School, and a group of tug-of-war participants and onlookers enjoying Field Day at Consolidated Elementary School.

Addressing the Needs of Graduate Women, Lynda R. Wiest, Winter 1999, p. 30.

Against the Odds: How 'At-Risk' Students Exceed Expectations, by Janine Bempechat, *Book Review* by Maury Miller, Summer 1999, p. 56.
